

I am urging the FCC very strongly to NOT overturn New Jersey's Do Not Call law.  
As a  
private citizen who enjoys her very limited time with her family, I do not want  
the hassle  
of having telemarketers calling me and infringing on my precious free time with  
my  
family. I pay for my phone and should have the right to say who can call me and  
who I  
will not accept phone calls from!
